

## FOR IMMEDIATE RELEASE

As part of its continuing program of Honours & Awards, the Professional Photographers of Canada are pleased to announce that:

### **Vanessa Dewson**

is a recipient of the coveted

### **MASTER OF PHOTOGRAPHIC ARTS**

This prestigious designation is bestowed by the PPOC upon its members whose images accepted into the annual PPOC Image Salon over a number of years are consistently of a high quality and in recognition of the contributions made by them to the Association and to photography in Canada. These photographers have proven their photographic abilities by participating in the Association's National Image Competition and have confirmed their dedication to the profession by serving the Association.

The Professional Photographers of Canada is a not-for-profit organization representing portrait, wedding, commercial, and military photographers from across the country. The Association promotes photographic excellence through education and exploration of image artistry and establishes standards of professional performance.

The designation was presented to Vanessa Dewson by PPOC Chair Tina Wertz MPA SPA, at the Association's annual Awards Banquet held *May 1<sup>st</sup>, 2017 in Ottawa, Ontario.*
